

Low corrosion reinforcing steel Top12: Tender text

Proposal for a call for tenders according to the catalogue of standard positions (NPK):

513	Special concrete steels			
.200	Supply and install corrosion-resistant reinforcing steel Top 12 (Swiss Steel) Reinforcing steel with increased corrosion resistance Material 1.4003			
.210	fixed lengths			
.211	d mm 14	2000 kg
.212	d mm 16	3000 kg
.220	BG 1			
.221	d mm 10	1800 kg
.222	d mm 12	3200 kg
